BBSI takes seriously their responsibility to provide a safe work environment for all employees and goes to great lengths to ensure that every employee is working safe.

If you are injured on the job BBSI will assist you promptly with legitimate claims and has workers compensation insurance that will pay medical expenses and wages. However, we have extensive experience in investigating claims, and will fight and prosecute to the fullest extent of the law, fraudulent claims with all resources available.

Any person who makes or causes to be made any knowingly false statement in order to obtain or deny workers compensation benefits or payments is guilty of a felony. If convicted, the person will have to pay fines up to \$150,000 and/or serve up to five years in jail.
